### Initial Trademark Examination Notice

**Serial No:** 99749982

Dear Applicant,

Your trademark application has progressed to the verification and attestation stage. To proceed with the final review and registration process, confirmation of ownership and business details is required.

#### **Verification will include confirmation of the following:**

Owner's full legal name and address

Application serial number

Duration of business operations

Description of goods and/ or services offered under the mark

Owner's position within the company\

Legal entity type and related business information

**Please**, note that a discrepancy has been identified in the classification of goods and/ or services within the application record. This matter will be reviewed and must be clarified during the verification process to ensure compliance with federal trademark requirements. Proper classification must be maintained in accordance with federal advisory standards.

To complete this step, the application owner must initiate a verification call with the assigned Trademark Examining Officer within the designated time frame provided below:

**Examining Officer:** Michael Baird (Law Office 105)

**Telephone:** (571) 207-5745

**Appointment Date:** Tuesday April 28, 2026

**Time:** 10:00 PM – 5:00 PM (EST)

**Reference Number:** 2540

During this call, the Examining Officer will verify the ownership details, review the application record, address the classification discrepancy, and discuss any pending matters related to publication or potential conflicts. This verification step is **mandatory** for your application to advance toward final

registration. If you are unable to initiate the call within the scheduled time, please notify the Examining Officer promptly to arrange one rescheduled appointment. Failure to complete verification in a timely manner may result in processing delays or suspension of your application.

Thank you for your prompt attention to this matter.

**DISCLAIMER:** Please disregard this email if you have already resolved this discrepancy with a USPTO-assigned case officer.

Sincerely,
